

# Ecological Problems

# **Greenpeace message**

**“When you cut down the last tree, kill the last fish and poison the last river, then you will see that you can’t eat money”**

**WHAT MAJOR  
ECOLOGICAL PROBLEMS  
CAN YOU NAME?**

Drive Safe and Fast

**Ecologists say it's one of  
the dirtiest places in the  
world..... Almost every  
street is covered with litter.  
It's often called the world  
garbage city. What is it?**

عبد الرحمن

**HOW TO PROTECT IT FROM LITTER  
AND MAKE IT CLEAN???**
